After a spirit-reviving day, return to the privacy of your cabin to relax by the crackling fire. End the perfect day under the majestic big sky with sparkling wine and in the warmth of your soothing hot tub. Or, for an added fee, enjoy a sense-enhancing private massage in the luxury of your own cabin.

SAVIAH CELLARS

THURSDAY, APRIL 19 – SUNDAY, APRIL 22

Saviah Cellars is a family-owned and operated artisan winery located in the acclaimed Walla Walla Valley of southeastern Washington. The winery specializes in producing ultra-premium wines that showcase the best of Washington's vineyards. The family's heritage is reflected in its Star Meadows white wine, the location of the original family homestead, its Une Vallee red wine inspired by the current family homestead called "One Valley," and its Big Sky Cuvee in honor of their Montana roots. Winemaker Richard Funk and his wife Anita are both natives of Montana who relocated to Walla Walla in 1991. Website: www.saviahcellars.com

ET FILLE

THURSDAY, MAY 3 – SUNDAY, MAY 6

Et Fille is a small, family-run, Oregon winery specializing in premium boutique Pinot Noir and Viognier wines. Et Fille, which means "and daughter," honors the hand-in-hand, father and daughter team of Howard Mozeico and Jessica Mozeico-Blair. Father and daughter are passionate about the differences in characteristics based on the soil type of the vineyard. Howard and Jessica personally touch the grape clusters, fermenters, barrels and bottles that eventually become their wine. They deal in small lots of grapes, small fermentation lots and small oak barrels. This Vintner Weekend will be an intimate opportunity to ask anything you ever wanted to know about the winemaking process but were afraid to ask. Website: www.etfillewines.com

CHAPPELLET

THURSDAY, MAY 17 – SUNDAY, MAY 20

The Chappellet family has been crafting world-class wines from their Pritchard Hill estate vineyards since 1967. They were the first to plant vineyards exclusively on high elevation hillsides and the second winery to be established in the Napa Valley after Prohibition. The rugged terroir of Chappellet's vineyards produces wines with great intensity and depth, qualities that define the world's finest wines, and has become synonymous with powerful hillside Cabernet Sauvignon. For four decades Chappellet wines have received high praise from wine critics and have been sought by the world's premier collectors. Please join Cyril and Blakesley Chappellet during this special weekend. Website: www.chappellet.com

CHATEAU MONTELENA WINERY

THURSDAY, MAY 24 – SUNDAY, MAY 27

Chateau Montelena's rich history began in 1882, and by 1976, this vineyard helped put California at the forefront of the wine world. That year a who's-who of the French wine and food establishment gathered for a grand tasting at the Inter-Continental Hotel in Paris. Four French white Burgundies were tasted against six California Chardonnays. When the scores were tallied, the French Judges were convinced that the top-ranking white wine was one of their own. In fact, it was Chateau Montelena's 1973 Chardonnay, rated above all other wines. Today this celebrated family-owned winery continues to thrive with the consistency of style and quality in every vintage and every glass. Website: www.montelena.com
